## High School Seniors Can Apply for 2010 Electric Cooperative Scholarships

High school seniors whose parents or guardians are consumer-members of Northern Neck Electric Cooperative, and whose primary residence is served by the Cooperative, are eligible to apply now for 2010 college or technical school scholarships to be awarded by the Virginia, Maryland & Delaware Association of Electric Cooperatives (VMDAEC) Educational Scholarship Foundation.

Scholarship recipients will be chosen based on three major criteria: financial need (40 percent), academic achievement (40 percent), and school and community involvement (20 percent). Applicants must provide evidence of acceptance in a post-high-school educational institution or program. Scholarship funds will be sent directly to the educational institution the recipient will attend and placed in the student's account. Funds can be used to pay for tuition, fees and books.

Applications for 2010 scholarships are available online now at [www.vmdaec.com](http://www.vmdaec.com) and at [www.co-opliving.com/community/scholarship](http://www.co-opliving.com/community/scholarship). Applications are also available by mail by writing to: VMDAEC Scholarships, P.O. Box 2340, Glen Allen, VA 23058.

## WASHINGTON YOUTH TOUR

The National Rural Electric Cooperative Association's (NRECA) Washington Youth Tour will be held June 13-17 this year. Northern Neck Electric Cooperative will sponsor six high school juniors to represent the Northern Neck area on the tour.

High school juniors located in Lancaster, Northumberland, Westmoreland, Richmond, King George counties and Stafford High School are eligible for this trip.

Northern Neck Electric Cooperative joins with other cooperatives through the Virginia, Maryland & Delaware Association of Electric Cooperatives to sponsor 50 students on the Youth Tour. Those selected will join over 1,400 rural electric youths from across the nation for an unforgettable tour.

This trip is coordinated on the national level by NRECA. The students spend one day on Capitol Hill interviewing their U.S. representatives and senators. Participants attend committee meetings and sessions of Congress to observe and learn about our government in action.

Part of the fun is getting to know

On the Capitol steps, front row from left: Kristen Connelly, Ambree Papa, Pattie Henry; second row: Leah Coates, Davida Williams and Jamie Clift were last year's NNEC Youth Tour delegates.

teens from all parts of the country. Several social events are scheduled throughout the tour.

Local high schools hold contests to select first- and second-place winners. The contest consists of an essay on electric cooperatives and what they have meant to rural America. The first-place winners will participate in the Washington Youth Tour. The second-place winners will receive a \$100 savings bond.

## Christmas Wishes

From left: WRAR's Rich Morgan, Betty Osburn, John Stallard, Terry Brooks and Joann Delano accept the 25 bicycles for WRAR's Christmas Wishes delivered by Cooperative Helping Hands' members Steve Smith and Carey Allen. WRAR collected cash and gifts to be distributed by the local counties' social service departments. Cooperative Helping Hands (CHH), the fundraising organization of Northern Neck Electric Cooperative employees, provides charitable donations to organizations in the counties where CHH members reside. The employees of Northern Neck Electric Cooperative raise funds through activities such as bake sales and their annual golf tournament.
